bandiezshekinah18@gmail.com

Licenses and Certifications

- Certified Computer Engineer
- Computer Systems Servicing NC II, Certificate No. 210731005837629

Qualifications

Technical Development Skills:

- Strong technical development skills, including coding, debugging, testing, and software architecture.
- Ability to solve complex technical problems and create innovative solutions.
- Proficiency in system design and in the Windows operating system.
- Have a strong understanding of data structures and algorithms, with a focus on optimization.
- Understanding of network protocols, security practices, and encryption.
- Knowledgeable in database management systems, data modeling, web frameworks, and web development.
- Proficiency in reading and interpreting technical schematics and datasheets.
- Continuous learning and adaptability to stay updated with the latest software and hardware engineering trends and technologies.
- Proficiency in one or more programming languages.

Soft Skills

- Effective written and verbal communication skills for documenting designs and collaborating with cross-functional teams.
- Solid project management skills for managing software and hardware design projects from conception to production.
- Strong problem-solving skills for resolving software and hardware-related issues.
- Strong analytical and critical thinking abilities.

Skills

- Programming Languages: C++, Java, Python
- Software Development: Coding, debugging, software testing, and quality assurance practices.
- Systems Engineering: Systems analysis, network design
- AutoCAD

- Microsoft 365 Literacy

Work Experience
- Accenture Inc. Philippines (Intern)
    - Worked as a member of Accenture's software development team, collaborating with senior software engineers and developers on real-world projects.
    - Participated in developing, testing, and deploying software solutions for diverse clients in various industries.
    - Demonstrated adaptability and a commitment to continuous learning by staying up to date with the latest software development trends, technologies, and best practices.

Other Affiliations and Certifications
- **College Organizations:**
    - CURSOR: Computer Engineering Students Organizations
    - ADSS: Association of DOST-SEI Scholars
- Institute of Computer Engineers of the Philippines (ICpEP)
- IEEE Computer Society Member
- **Certificates**
    - **Microsoft Technology Associate (MTA) Certification**
    - **Microsoft 365 Fundamentals Certification**
    - Certificate of Completion on Microsoft Literacy (TESDA)
    - Certificate of Completion on SMART Technopreneurship 101 Course (TESDA in partnership with Smart Communications Inc.)
    - Certificate of Completion on SMART Android Mobile Apps Development for Beginners Program (TESDA)

Education
- Batangas State University- TNEU Alangilan (2023-2027)
    - Graduated BS Computer Engineering
    - DOST Scholarship Recipient
- Kalayaan Christian School, Cuenca, Batangas (2021-2023)
    - Graduated, Senior High School, 2nd Honor.
- Kalayaan Christian School, Cuenca, Batangas (2016-2021)
    - Graduated, Junior High School, 2nd Honor.
- Cuenca Central School, Cuenca, Batangas (2010-2016)
    - Graduated, Honorable Mention
